

### Woman Has Full Say in Revamp of Bathroom

When a woman decides to remodel her home, nine times out of 10 she starts with the bathroom. In addition, she devotes more attention to remodeling the bathroom than any other room, and works more closely with the tile contractor than any other contractor in order to get what she wants. These conclusions were reached today by the Ceramic Tile Institute following a survey sampling of the "Woman's Role in Home Remodelling."

### Junior Philharmonic Orchestra Invites Young Torrance Musicians to Auditions

A chance to join the Junior Philharmonic Orchestra of California will be given every teenage musician of the community, according to the orchestra's founder-conductor, Ernst H. Katz. Starting today and continuing through Nov. 30, the 1959-60 auditions will be held for all great-Torrance musicians.

The Junior Philharmonic is a non-commercial, civic all-youth organization. There is no audition fee or membership charge for joining the aggregation, which now boasts 110 boys and girls from throughout the Southland. The solo clarinet chair, the solo French horn chair, and solo trombone chair are open.

The orchestra has given almost 500 concerts in behalf of various civic and charitable causes, with appearances in the Hollywood Bowl, the Greek Theatre, the Wiltshire - Ebell, the Philharmonic, and Shrine Auditoriums.
